Sir:

Pursuant to the Response to Request for Corrected Filing Receipt mailed on May 26, 2006, Applicants hereby petition to accord the original April 27, 1999 filing date to the subject application under 37 CFR §1.53. Please charge Deposit Account No. 20-1430 in the amount of \$130 (37 C.F.R. 1.17 §1.17(h)) for the petition fee.

The subject application was filed in the Patent and Trademark Office on April 27, 1999 pursuant to 37 C.F.R. 1.53(b) with the specification as prescribed by 35 U.S.C. § 112 containing a description pursuant to §1.71, claims pursuant to §1.75 and drawings required by §1.81(a). The Office accorded the application a filing date of April 27, 1999. Attached herewith is a copy of the Filing Receipt mailed on July 29, 1999, indicating the original filing date of April 27, 1999, and a copy of the returned postcard also indicating the original filing date of April 27, 1999.

On July 30, 1999, the Office mailed a Notice to File Missing Parts requiring filing of an oath or declaration in compliance with 37 CFR § 1.63. The application became abandoned due to unintentional delay in responding to the Notice to File Missing Parts. Applicants filed a Renewed Petition under 37 C.F.R. §1.137(b) on June 15, 2001 together with the proper Declaration and Power of Attorney. The Petition was granted and the Declaration accepted on July 19, 2001, and the application proceeded to examination. A copy of the July 19, 2001 Decision on Renewed Petition is attached herewith.

Subsequently during prosecution of the application and without any notification, the Office changed the original filing date of April 27, 1999 to June 15, 2001, the date on which Applicants filed the Renewed Petition under 37 C.F.R. §1.137(b). Based on the above, Applicants respectfully believe the original correct filing date was changed in error and may be a clerical mistake.

CONCLUSION

In view of the foregoing, Applicants respectfully request that this petition be granted and the original filing date of April 27, 1999 be accorded to the subject application.

This application was allowed on February 28, 2006 and the Issue Fee was paid on May 25, 2005, Applicants therefore also respectfully request that the patent issues with the original filing date of April 27, 1999.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at (206) 467-9600.

Respectfully submitted

Attorney Docket No. 20093A-00210

DECISION ON  
RENEWED PETITION

This is a decision on the Renewed Petition under 37 CFR 1.137(b), filed on June 15, 2001, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to properly reply to the Notice to File Missing Parts of Application mailed July 30, 1999. This Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on October 1, 1999. A Notice of Abandonment was mailed on May 2, 2000. On April 30, 2001, petitioner filed a petition to revive under 37 CFR 1.137(b). However, this petition was dismissed in a decision mailed on May 10, 2001.

With the instant petition, petitioner filed an executed Declaration and Power of Attorney that is in compliance with 37 CFR 1.64. The declaration includes the citizenship, residence, and mailing address of the legal representative, Mrs. Murphy. Petitioner has met all other requirements for a grantable petition under 37 CFR 1.137(b).

The application file is being forwarded to the Office of Initial Patent Examination for completion of pre-examination processing.

Telephone inquiries related to this decision should be directed to Petitions Attorney Cliff Congo at (703) 305-0272.
